## ***European Declaration of Conformity***

<b>Intermec</b> DECLARATION of CONFORMITY	
Intermec hereby declares that the following product has been tested and found compliant with the below listed standards as required by the EMC Directive 89/336/EEC as amended by 92/31/EEC and by the Low Voltage Directive 73/23/EEC.	
<b>Product:</b>	Model INT01 Liner / Rewinder
<b>Applicable Standards:</b>	EN 55022 EN 50082-1 EN 60950
Everett, October 24, 1995	Nijmegen, October 30, 1995
	
Terry Hudkins Director of Engineering	Graham Rivers Vice President of European Operations
Intermec Corporation 6001 36th Ave W Everett, WA 98203-9280 USA	

---

## ***Industry Canada Compliance***

This digital apparatus does not exceed the Class B limits for radio emissions from digital apparatus as set out in the radio interference regulations of Industry Canada.

Cet appareil numérique n'émet pas de bruits radioélectriques dépassant les limites applicables aux appareils numériques de Classe B prescrites dans le règlement sur le brouillage radioélectrique édicté par Industrie Canada.

---

## ***Federal Communications Commission Compliance***

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that can cause undesired operation.

This equipment is intended for operation in a commercial environment, in compliance with the requirements for a Class A digital device, pursuant to Part 15 of the FCC Rules, and it must not be used in a residential environment; however, it has also been tested and found to comply with the more stringent requirements for a Class B device, pursuant to Part 15 of the FCC Rules. It generates, uses, and can radiate radio frequency energy. If not installed and used in accordance with the instruction manual, it may cause interference to radio communications. If this equipment causes interference, the user will be required to correct the interference at the user's own expense.

### **Caution**

*Changes or modifications not expressly approved by Intermec could void the user's authority to operate this equipment.*

---

## ***Additional EMI/RFI Compliance***

This device meets Class B limit requirements of CISPR 22.

---

## ***Power Supply Information***

The following Intermec power supplies have been approved for use with Model INT01:

Catalog Number 047793 (P/N 042684) - 120 VAC, 60 Hz input

Catalog Number 043230 (P/N 043230) - 100 VAC, 50 or 60 Hz input

Catalog Number 047795 (P/N 045652) - 220 VAC, 50 Hz input

Catalog Number 045937 (P/N 5014UK) - 240 VAC, 50 Hz input
