

Screen Protector Instructions

Use these instructions to install the CV30 Screen Protector to the CV30 Fixed Mount Computer. The screen protector keeps your screen safe from abrasions and dust.

The shipping box contains the screen protector and these instructions.

To install the screen protector

- 1 Use glass cleaner and dust-free cloth to clean the CV30's screen.
- 2 Peel off the back tab of the release liner to expose the adhesive.
- 3 Align the protector sheet with the bottom of the display and touch the screen protector sheet to the CV30's screen.
- 4 Gently smooth the protector sheet into place. If air bubbles are trapped beneath the protector, lift it up and smooth it out.
