

**Important**  
Label Instructions

**For Operating  
System Upgrade**

## Upgrade Kit Content

- Proof of Purchase
- Microsoft Certificate of Authenticity (COA) label(s) (one label per upgrade)
- Set(s) of Intermecc Service Notification labels (one set per upgrade)
- Accompanying Microsoft CD

## Labeling Instructions

- 1 Place the appropriate Service Notification label and a COA label in the battery compartment as illustrated in the drawing.

**Note:** Remove old Service Notification and COA labels (if any) from the battery compartment before attaching new labels.

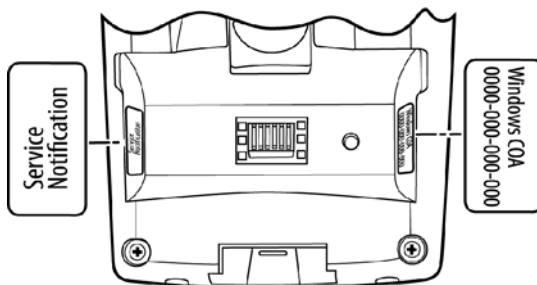

**Note:** Mobile computers sent to the Service Center without the appropriate Service Notification label will be returned with the original operating system.

Warning

Do not apply a label over any metal contacts in the battery compartment.

### An example of a battery compartment

Label placement inside the battery compartment.

- 2 Discard the unused labels.

## Download Instructions

Your system upgrade software is available by downloading from Intermec's website:

- 1 Go to [www.intermec.com/swdownloads](http://www.intermec.com/swdownloads)
- 2 Select Intermec products (select product model whose Operating System you want to upgrade)
- 3 Select SW Product (select the Operating System you want to upgrade to)
- 4 Enter information as required
- 5 Download
  - If the software product you are looking for is not available at the website, send an email to [swdownloads@intermec.com](mailto:swdownloads@intermec.com) with your request.

## Upgrade Instructions

- 1 Refer to the installation instructions included with the system upgrade software downloaded from [www.intermec.com/swdownloads](http://www.intermec.com/swdownloads).
- 2 Refer to the User's Manual for questions regarding your operating system (available in .pdf at [www.intermec.com](http://www.intermec.com)).
- 3 Refer to the Intermec technical knowledge base (Knowledge Central) at [intermec.custhelp.com](http://intermec.custhelp.com) to review technical information or to request technical support for your Intermec product.
