Apriva Licensing Information

For Apriva Guard and Apriva CSPware

AIT-IV Contract No. W91QUZ-09-D-0044

This Intermec computer (HHT) comes with industry-leading Apriva Guard™ and Apriva CSPware™ Common Access Card (CAC) enablement software already loaded and licensed.

This software is designed to work with:

• the Apriva BT200-T Bluetooth™ Smart Card Reader.

• the Intermec CN3 USB Smart Card Reader (Model AR6).

• the Intermec CK3 USB Smart Card Reader (Model AR7).

For details on how to load and activate the CAC enablement software on the HHT, see the *Information Assurance Software Installation Instructions* (P/N 931-082-001). You can download these instructions from the Intermec AIT web site at **http://www.intermec.com/ait** or you can find it on the AIT-IV Documentation CD (P/N 946-002-xxx), which ships with each HHT.

This Apriva software has a three-year warranty from date of shipment. For technical support with this software, please call the Intermec DoD help line at 1-800-892-7007.
