

Quick Start Guide

**IP3 Dual Pack  
Charger**

# Instructions

**The Model IP3 Dual Pack Charger is suitable for use only with Intermec battery pack part numbers 318-014-001. Use of any other battery pack may present risk of fire or explosion hazard.**

**French:** Le modèle de chargeur de batterie Model IP3 peut être utilisé avec le numéros de référence de bloc de batterie Intermec suivant, 318-014-001. L'utilisation de tout autre bloc de batterie présente un risque d'incendie ou d'explosion.

**German:** Das Batterieladegerät Modell IP3 ist nur zum Laden der Intermec Batteriesatz mit den Teilenummer 318-014-001 geeignet. Bei Verwendung eines anderen Batteriesatzes besteht Brand- oder Explosionsgefahr.

**Spanish:** El Cargador de batería Modelo IP3 debe ser utilizado solo con el paquete de batería Intermec N/P 318-014-001. El uso de cualquier otro paquete de batería puede ocasionar riesgos de incendio o explosión.

## Power Usage

Each charger power supply (p/n: 851-061-102) uses approximately 0.5 amps of current.

Insert battery packs into charging compartments. A complete charge takes up to four hours.

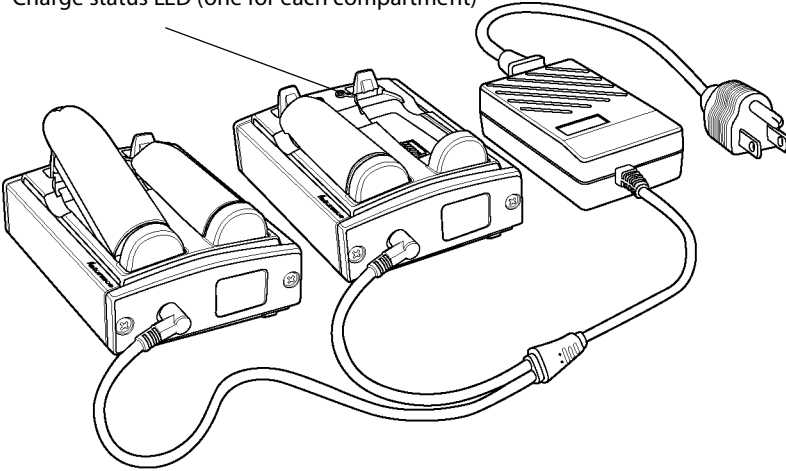

Charging status LED indicates:

- Off = battery not inserted properly, no battery installed, or battery completely run down. Remains off until battery reaches an initial charge capacity of 5%.
- Red = charging
- Green = charge complete
- Blinking Red =
  - pack may not be installed in compartment properly (remove and reinsert).
  - pack may be bad. If on charger for five hours and LED goes from solid red to blinking red, the pack is bad (replace pack).
- LED may flicker as it advances from one state of charge to another. This is normal.

## Battery Pack *Must* Go In As Illustrated

- 1 Tilt battery pack and position in battery pack compartment
- 2 Slip battery pack under lip of charger
- 3 Push down to “click” into place
- 4 Connect Power Supply to Charger and charge pack for four hours

Charge status LED (one for each compartment)

## Global Services and Support

### Warranty Information

We warrant that Intermec Technologies Corporation products will be free from defects in manufacturing materials and workmanship for one (1) year from date of shipment. This one year warranty applies to the Charger only. The warranty on the battery pack is 90 days from date of shipment.

### Obtaining Warranty Service

- 1 Purchaser must obtain a Return Authorization (RA) number from the Intermec Service Center (1-800-755-5505) within the warranty period.

- 2 Purchaser will provide a written, detailed description of the defect.
- 3 The product must be promptly returned to the designated Intermec Service Center, freight prepaid by Purchaser.
- 4 Upon examination of the product, Intermec must agree that the defect exists and is covered by this warranty. Warranty repairs will be completed at the Service Center and returned to the Purchaser by prepaid surface freight.

## Web Support

Visit the Intermec web site at <http://www.intermec.com> to download many of our current manuals in PDF format. To order printed versions of the Intermec manuals, contact your local Intermec representative or distributor.

Visit the Intermec technical knowledge base (Knowledge Central) at <http://intermec.custhelp.com> to review technical information or to request technical support for your Intermec product.
