DEX Cup Adapter

DEX Cup Adapter

The DEX Cup Adapter is designed to be used with your 700 Color Mobile Computer. This DEX connectivity eliminates the constant removing and reinserting the cable at each vending machine.

The DEX Cup Adapter slides onto the bottom end of your 700 Color Mobile Computer and can be easily removed or attached more permanently by securing the two thumb screws into the 700 Color. You do not need to remove the Scanner Adapter to access the battery pack.
