5-Volt Tethered Scanner Adapter

The 5-Volt Tethered Scanner Adapter is designed to provide an attachable scanner solution for your 700 Color Mobile Computer. This allows for using 5-volt tethered bar code scanners.

The Tethered Scanner Adapter slides onto the bottom end of your 700 Color Mobile Computer and can be easily removed or attached more permanently by securing the two thumb screws into the mobile computer. You do not need to remove the Scanner Adapter to access the battery pack.

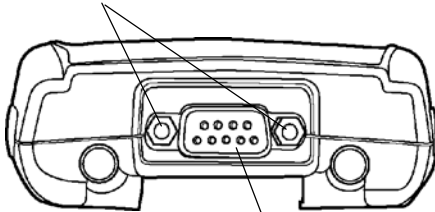

The Tethered Scanner Adapter using the RS-232 DCE 9-pin F (p/n: 3-604032-16) with power supports these Intermec scanner models:

- 1400
- 1551E
- 1553E

It is recommended that you suspend the 700 Color before you attach the tethered scanner. Then wake up the 700 Color after attaching the scanner.

Thumb screws

DB 9-Pin connector
