

Important Safety Information!

Please Read This Before Powering On Your CV60

Warning

To avoid data loss or corruption, or damage to the main board or hard disk drive, do NOT turn off or remove power to the CV60 Vehicle Mount Computer if the display is on or the blue Ready-to-Work™ indicator is on.

Warning

Do not use any external power sources for the CV60 Vehicle Mount Computer other than those specified by Intermec. Use of AC adapters or vehicle power supplies or batteries not approved for use with the CV60 may result in permanent damage to the computer.

Contact support personnel at 1-800-755-5505 (US and Canada).
